

Competitive Goal: Compare the user experience of each competitor's app.

	General information									UX (rated: needs work, okay, good, or outstanding)								
	Competitor type	Location	Product offering	Price	App Store Rating	Website	Business size	Target audience	Unique value proposition	First impressions		App Interaction				App visual design	App content	
										Desktop website experience	Mobile app experience	Features	Accessibility	User flow	Navigation	Brand identity	Tone	Descriptiveness
Cozi Family Organizer	Direct	Seattle, U.S.	Help families stay connected	Gold Account is \$4.08/month	4.7	https://www.cozi.com	Small	Families	Combines digital Calendar, to-do lists, shopping lists, meal planning, and family journal	Outstanding + Visually appealing + Has a simple but consistent design + Has a list and tutorial for all the features	Needs Work - Looks very basic - Nothing really grabs my attention. - Most functions are locked for free accounts - Has ads	Okay + Lots of extra features - None done very well	Needs Work + Intuitive layout and features - Voice over does not work well especially with all the ads	Good + Easy to find what I need + User flow is intuitive - Having all the tutorials on the home page alone and non-dismissible is a bit annoying	Good + Main navigation in bottom bar + Easy to find everything - The ads make pages look cluttered.	Needs Work - UI looks very generic. + The main colour (blue) is maintained throughout the app	Okay - Nothing stands out	Needs Work - Very basic + Gets the point across
FamilyWall	Direct	Paris, France	Family management and communication	Premium is \$4.99/month	4.6	https://www.familywall.com/en/index.html	Small	Families	Real-time location, budgetting, multi-group, and multi device	Outstanding + Simple and good visuals + Has a list of prominent features and pricing	Outstanding + Very unique + Visually appealing + Being on the basic version isn't as in-my-face	Outstanding + Each feature is thought out and designed well + So many features in one app doesn't make it feel overwhelming. + Easy to explore	Okay - Voice Over unusable + Discoverability and text sizes/colours are well done however	Outstanding + Simple and centralized hub for navigation. + Each feature is easy to use and intuitive	Outstanding + Main navigation hub for navigation. + Consistent navigation + Can customize pinned features	Outstanding + Clear colour scheme and use of images and icons	Outstanding + Great use of emojis and images for friendlier tones	Outstanding + They have tutorials and descriptions for each feature and how to use the app in general. + Very informative
TimeTree	Indirect	Tokyo, Japan	Share and coordinate calendars	Premium is \$4.49/month	4.8	https://timetree.app.com/intl/en	Small	family, friends, colleagues	Easy to share or discuss upcoming plans.	Great + Visually appealing + Easy to Navigate - Too much content. Wish there was a search funtion	Okay + Fully responsive - Items are too small on a small screen - Dark mode feels not very contrasting	Outstanding + Little non-obstructive tutorials + "Virtual Members" for pets or babies - Infinite search spinner	Needs Work + Voice Over works - Low contrast in dark mode - Tiny font size on small screen	Outstanding + Easy to find list of events + Easy to add new events + Can customize info organization	Outstanding + Main navigation through bottom bar + Easy to find features	Outstanding + Clear color scheme, font, and art direction	Good Originally Japanese, but English is still very good. Formal, and informative.	Outstanding + All key info is present + To the point
